Regional Theme: "A Sisterhood United, Focused on Educating and Impacting Socio-Economic Change"

Iota Phi Lambda Sorority, Incorporated

"Business and Professional Women Building the Foundation for Generational Financial Empowerment"

Calling all Sorors, Pelati, and MOI

The Executive Committee and I invite you to join us virtually for our 84th Southern Regional Conference, March 12-14. Additional information and registration form is included. Since we are unable to be together in person, I am grateful for an opportunity to gather as a sisterhood to conduct Iota business, worship, have some sisterly fun, and shop.

Our conference theme *Dawn of a New Era Undaunted and Untorn* is a reflection of where we are at this appointed time in our country's history. We are hopeful that in spite of the extraordinary times we are living in, we see the promises of a new day. Like our founders who faced their own challenges and persevered, we too will find a way to power through and continue on. We step into this new era with courage, not shrinking away, but brave and unafraid.

Let us find fulfillment in the sisterhood we share. Join us March 12-14 to continue the work of this great sorority, renewing our loyalty, and celebrating a sisterhood that bind us all together. If this is your first regional conference, a new member or have several years of service there is something for everyone.

I am humbled and grateful for the trust you have placed in me. Thank you for an opportunity to serve as your regional director.

Yours in Sisterhood,

Phyllis A. Moore

Southern Regional Director
